ATTESTATION

By clicking "I Attest that Data is Complete for 2017 Reporting Year" below, I attest that my organization has completed the submission of data about

- the Nursing Accreditation activities provided by our organization during the Reporting Year, and
- our Accreditation for the Reporting Year.

This fulfills our organization's 2017 Annual Reporting requirements. I understand that ANCC will review the data submitted and that Accreditation will include my organization's data in aggregated totals that are made available to the public.

Once I click this button, I understand that I will no longer have the ability to add or modify activity and program summary data for Reporting Year 2017.
